During these work hours, closures of Westbound on/off ramps will be separate from the closures of the Eastbound on/off ramps. Only ramps in one direction of travel will be closed for a period of time, to allow ramps in the opposite direction of travel to remain open.

Motorists may experience delays and are encouraged to take alternate routes whenever possible. Closures may continue for longer periods of time each night if necessary, due to delays caused by weather or uncontrollable events that may occur during construction.

Caltrans would like to thank the residents, businesses and commuters for their patience during this enhancement project. The public is asked to drive with extra care while traveling through the construction area and please
